Course details

Introduction

The level 2 award in food safety for catering covers:

- The importance of food safety procedures and complying with the law
- Microbiological, chemical, physical and allergenic hazards and their control
- Good temperature control and stock rotation
- The importance of good personal hygiene and preventing contamination, including handwashing, protective clothing, cuts and reporting illness
- + Keeping work areas and equipment clean and safe
- + Safe waste disposal
- Pest control

Who should attend?

The qualification is suitable for those working in a catering environment who are responsible for handling food. By law, all food handlers must receive appropriate supervision and training in food hygiene and this qualification is accepted by enforcement officers and auditors.

Duration

One day contact time at the training venue.

Course information

Delegates will be provided with the following resources:

- A textbook (Food Safety Handbook)
- An exercise book
 (A Question of Food Safety (Level 2))
