

Fire safety for hotel managers and trainers

Online

Tutor-led

Course details

Introduction

This course is designed to provide managers of UK hotels and those with responsibility for fire safety and site specific training of employees with the knowledge required to manage fire safety and ensure that employees are effectively trained.

Delivery and content

The course will be delivered online by a competent and experienced tutor over approximately 4 hours, divided into 2 sessions with a break between.

Session 1

- + Basic building design principles and means of escape
- + Overview of fire doors and other common fire protection equipment
- + Overview of fire alarm operation and cause and effect
- + Evacuation of disabled persons
- + Planning for evacuation

Session 2

- + Typical hotel fire hazards and their management
- + Use of fire extinguishers
- + Testing and maintenance of fire protection systems
- + Employee training

The course will encourage maximum delegate participation by using video hazard spotting, online interactive quizzes and groupwork.

Who should attend?

The course is intended for hotel managers and other managers who have a responsibility for employee training. The course is also ideal for senior maintenance personnel / chief engineers and other senior operational managers and directors.

Delegate requirements

Every delegate will need to ensure the following:

- + They have access to a desktop computer, laptop or tablet with a working camera and microphone
- + They take part in both sessions, uninterrupted in a quiet area with table space

Joining instructions and further information will be provided by email a minimum of 5 working days prior to the course date.

Assessment

At the end of the course each delegate will receive a link by email to a short open-book assessment comprising 20 questions. This will take approximately 30 minutes to complete and the pass mark is 75% (15 out of 20 questions). The cost of the course includes two attempts at the assessment.

All delegates who attend both sessions and who successfully complete the online assessment will be issued with a certificate of training.

Cost

The course cost is £695.00 for between 6 and 10 delegates. This includes all course materials, assessment and certification.

On-site and open courses are available.
