On-site

Tutor-led

## Course details

### Introduction

The level 2 award in health and safety within the workplace covers:

- The duties and responsibilities of employers and employees
- The benefits of good health and safety in the workplace
- The process of risk assessment
- Hazards and controls in the workplace
- Responding to accidents, near misses and ill-health in the workplace
- Emergency procedures
- The importance of reporting accidents

### Who should attend?

The qualification is suitable for those who are required to have a basic knowledge of health and safety practices that are essential in the workplace. It is also ideal for those entering the workplace for the first time or looking to progress in an organisation.

### Duration

One day contact time at the training venue.

### Course information

Delegates will be provided with the following resources:

- A textbook (Health and Safety Handbook)
- An exercise book (A Question of Health and Safety (Level 2))
- A notebook

### Assessment

A multiple-choice examination containing 20 questions that must be completed within 45 minutes. The pass mark is 12 (60%).

### Training venue

Courses will usually be provided at the client premises.

We also offer open courses at venues across the UK. Please contact training@saeker.co.uk for further information.

### Training venue requirements

A secure training room with power, a table for the trainer, TV / projector and screen, flip chart and table space with sufficient physical distancing between delegates. The room should be in a horseshoe / board room style. At the end of the day, the room will need to be rearranged into an examination style and a clock should be visible.

Most venues can provide basic refreshments. This will be agreed prior to the course.

### Cost

The course cost is £1,285 (excluding VAT) and includes all course materials and the examination.

The minimum number of delegates on each course is 8 and the maximum is 16. Please contact training@saeker.co.uk for further information.
